Just a thought: The Resurrection of Jesus Christ from the grave is amazing and awesome! The women who went to the tomb that first Easter morning and found the stone rolled away, an empty tomb and angels that gleamed like lightning were asked this question, “Why do you look for the living among the dead?” This leads to some other questions.

***What if everything had ended on Saturday?***

***What if there really was a Sunday (Resurrection) morning?***

***What will we do on Monday?***

As we go: The angels said to the women, “He is not here; he has risen!” As we go, will we live like everything ended on Saturday, or live in the light and the glory of the Resurrection of Jesus Christ from the dead?
